EQ 2014

2nd Emotional Intelligence Education Forum

Emotionally Intelligent Living Today towards a Better Tomorrow

1 & 2 March 2014
Ronderbosch Boys High School, Canigou Avenue,
Ronderbosch, Cape Town, South Africa

Presented by: SBS Conferences in association with Tandem Training, JvR Psychometrics and Six Seconds, USA

Educators who are interested in Emotional Intelligence and Positive Psychology are invited to participate in the EQ 2014 Education Forum.

The Education Forum will explore the latest scientific research, best practice and proven techniques in Emotional Intelligence and Positive Psychology to enhance wellness, success and performance in Students.

WHY PARTICIPATE
Extensive research indicates that effective mastery of social-emotional competencies is associated with greater well-being and better school performance whereas the failure to achieve competence in these areas can lead to a variety of personal, social, and academic difficulties.

Emotionally Intelligent Living today contributes significantly to maintain a general good mood and well-being and underpins Effective Performance.

Educators who are interested in Emotional Intelligence and Positive Psychology are invited to participate in the EQ 2014 Education Forum.

The Education Forum will explore the latest scientific research, best practice and proven techniques in Emotional Intelligence and Positive Psychology to enhance wellness, success and performance in Students.

WHY PARTICIPATE
Extensive research indicates that effective mastery of social-emotional competencies is associated with greater well-being and better school performance whereas the failure to achieve competence in these areas can lead to a variety of personal, social, and academic difficulties.

Emotionally Intelligent Living today contributes significantly to maintain a general good mood and well-being and underpins Effective Performance.

One of our keynote speaker will be Prof. Kobus Maree, a world leader in Educational Psychology and Emotional Intelligence, at UP. We invited other top international speakers and global authorities on the latest developments in science and research in EQ and Positive Psychology who will also facilitate workshops for dialogue, collaboration and learning.

WHO SHOULD ATTEND
• Leaders in the Education Field in Governments
• Educators
• Governing Bodies
• EQ Practitioners

Emotionally Intelligent Educators today co-create a better tomorrow for our African continent.

POTENTIAL TOPICS
The programme encapsulates the latest scientific research and best practice in the current day complexities within the African context and will focus on the Mastering of critical life skills such as:

• Positive Psychology – cultivating a new mindset
• Resilience – the ability to regain form despite adversities
• Laying foundations for Effective Performance – building social & relationship skills
